ENHANCING FIXED ASSET MANAGEMENT

Unitech PA 768 Android Scanner 6.3" Color LCD 2160x1080 (FHD+) High Resolution Display, Gorilla Glass with Multi-Touch Capacitive Touch Panel.

Once configured with Sage Fixed Assets - Tracking, bar code scanning is fast, efficient, and accurate. Small and lightweight, the scanner captures information accurately every time, and even scans most manufacturer's barcode serial numbers!

Offering the latest OS of Android, a robust processor, a Hot Swappable 5100mAh Li-ion battery, and a rugged IP rating, the PA768 makes your toughest workdays easier. This handheld is disinfectant-ready, allowing harsh chemical cleaning products such as isopropyl/ethanol alcohol and bleach (bleach: water, 1:100). Withstands a drop to concrete over 5 feet, operating temperatures from -4 degrees to 131 degrees Fahrenheit.

Unitech PA 768 Series Scanner Kit Includes:

(1) PA 768 Handheld Scanner with 6 GB RAM, Battery, Charger (1) Custom Configuration and testing, Fixed Asset Software Installation • Optional extended warranty available	\$1,495.00
--	------------

Sales tax and shipping are billed additional. Would require approximately 1 week to configure, test, and ship (overnight at your option for additional cost).

We install, configure, and test Sage Fixed Assets. When you get the unit, it will be ready to use immediately, right out of the box.
